Communion Notice.

A communion meeting will occur in the Glade Run congregation, Armstrong Co., Pa., on the evening of November 6th. All of like precious faith are cordially invited. Meetings to commence on Mon-

FREE.

We direct special attention to the following remarkable statements.

Am 82 years old, hearing began to fail 20 years ago. For eleven years could only hear loud sounds could not hear conversation, had continual roaring in head, and sense of smell was entirely destroyed. Used Aerial Medication in '94, it did its work with the greatest satisfaction—the roaring ceased, discharge from head and throat stopped, hearing improved and for four years have been able to hear ordinary conversation and preaching. Sense of smell

entirely restored, and cured of Catarrh and no indication of its return.—G. J. QUICK, Media, Illinois.

I had Catarrh twenty-one years, was deaf eighteen years, could not hear ordinary conversation, had roaring in ears, dreadful headaches, offensive discharge, bad taste and eyes so weak could not see to read. I used Aerial Medication in '92; it stopped the roaring and discharge, fully restored my hearing and for over five years my hearing has been perfect and am entirely free from Catarrh.—MRS. JANE BASTIC, Shelby, North Carolina.

Deaf Forty Years.

Had Catarrh in a very bad form forty years, which greatly affected my eyes, almost entirely destroyed my hearing, was confined to the house a great portion of the time, and coughed almost continually. Used Aerial Medication in '94, which fully restored my hearing; my eyes are well and I am entirely cured of Catarrh; can work and feel better than for forty years.—JOHN GARRIS, Flatbrookville, N. J.

When a child I met with an accident which caused a profuse offensive discharge from right ear, for 23 years had not heard a sound in that ear; was treated at two hospitals and by several physicians, was told I would never hear again as the drum was destroyed. Since using Aerial Medication can hear a watch tick distinctly in that ear, it is still improving, and the discharge has stopped entirely.—MRS. DAWES, 37 Ivory Place Brighton, Eng.

We have reliable assurance that the above statements are genuine and that Dr. Moore is a reputable physician.—Cincinnati Herald and Presbyterian.

The Chicago Mission.

During the past week I have been on the Northwest Side preaching a series of sermons on baptism, trying to clinch some work done during the summer and from all indications the efforts will tell, as the subject is causing some excitement in the neighborhood and some opposition indirect, but none of these things move us. Sunday night, 17th, we commenced a series of illustrated talks at the home mission where we will be found for the next month, night after night, try and keep us here regular. I thought to resume my letters ere this but coming home from conference, found much to do, and now that the active work is opening up I shall resume my pen and keep you posted concerning the results. Pray for us.

BEWARE OF OINTMENTS FOR CATARRH THAT CONTAIN MERCURY,

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists, 75c. per bottle.
